amobedac@gmail.com

Lagos, Nigeria

07069433914,08084260527

### **PROFILE**

Full Stack Developer with experience developing web applications using MongoDB, Express.js, React.js, and Node.js. Proficient in using MongoDB to store, retrieve, and manipulate data, and experienced in building web applications on top of Node.js using Express.js. Demonstrated ability to develop complex user interfaces using React.js and knowledge of its ecosystem, including ContextAPI and React Router. Passionate about creating robust and scalable web applications using the latest MERN stack technologies.

### **CORE COMPETENCIES / SOFT SKILLS**

- Proficiency in using MongoDB to store, retrieve, and manipulate data
- Strong understanding of Node.js and its framework, Express.js
- Expertise in developing complex user interfaces using React.js and its ecosystem
- Understanding of web technologies, such as HTML, CSS, and JavaScript, and their latest standards
- Familiarity with Git and version control
- Strong problem-solving skills to analyze and troubleshoot technical issues
- Ability to work independently and as part of a team in a fast-paced and collaborative environment
- Ability to adapt to new technologies and tools quickly and learn continuously
- Attention to detail and a commitment to delivering high-quality code

## **WORK EXPERIENCE**

### **Youverify Inc.**

#### **Software Engineer Intern**

**Dec 2021 - May 2022**

- Transforming Figma designs to workable web apps that are responsive on all screen sizes.
- Collaborated with Product Designers and Engineers to build attractive and easy to use websites..
- Read and debugged code written by other Engineers

### **Zumaridi Communications**

#### **Fronend Engineer(Part-time)**

**June 2023 - Present**

- Working in an Agile development environment, particularly Scrum, for product management.
- Creating UI from figma designs and adding functionality
- Working with Git and Github for version control and incremental software development
- Creating software with Typescript, React and TailwindCSS

## **EDUCATION**

### **University of Ilorin, Ilorin**

Nov 2018 - Sep 2023

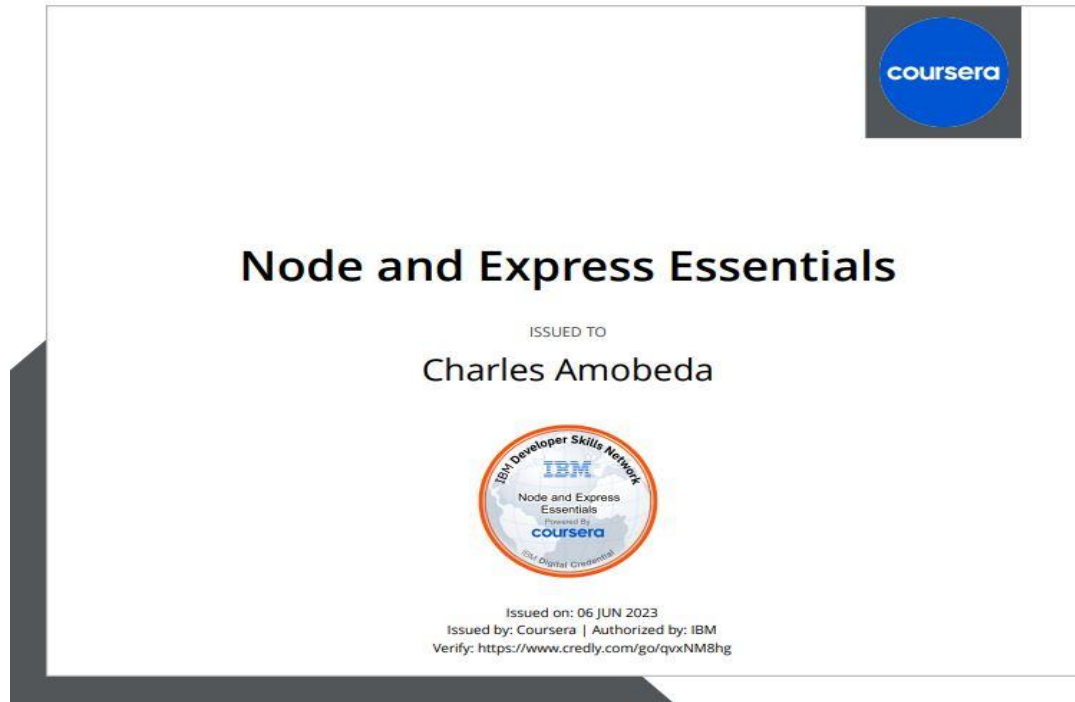

B.sc Computer Science.

## Coursera

June 2023

Completed a course on node and express essentials

---

## TOOLS

- Visual Studio Code
- MongoDB Atlas
- Github
- Slack
- Postman
- Google Drive
